- ✓ **logo and link of your organization featured on the main EFB website.**
- ✓ **free posts on the EFB social media outlets.** *One post per month.*

Boost your company's visibility

Increase your presence at EFB scientific meetings by sponsoring events or awarding poster prizes. Encourage your staff to participate actively in the scientific programme through short talks or poster presentations.

Recruitment Opportunities

- **Staff recruitment opportunities**

Engage with the most talented early-career biotechnologists attending EFB events. Benefit from dedicated sessions for industry presentations and career opportunities during conference breaks, focused on job prospects and professional development for the next generation.

- **Advertise job openings on the EFB website and social media, and take part in job fairs at selected conferences to connect with top talent in the field.**

Meeting discounts

- **10% reduction in registration fees for all EFB-organized meetings.**

PREMIUM MEMBERSHIP:

- ✓ **15% reduction in registration fees for selected EFB-organized meetings.**

Exhibition and sponsorship discounts

- **Decreased fees for exhibition space at the European Congress on Biotechnology.**
- **Discounts for sponsorship packages for EFB-organized meetings.**
- **Possibility to organize a scientific session at selected EFB-organized meetings.**
- **Upgraded benefits for any Institutional Member that sponsors meetings organised by the EFB Office. Examples:**
 - Registration of an extra participant at the academic rate.
 - Company presentation at any meeting sponsored.
 - Listing as a meeting partner on meeting websites, EFB social media and in the meeting Abstract book.
 - Privileged access to potential staff recruitment by invitation to judge poster awards.

PREMIUM MEMBERSHIP:

- ✓ **free Bronze Sponsorship package for selected EFB-organized meetings (up to 3 per year).**

Free registration

- Up to 5 free registrations for online conferences organized by the EFB.

PREMIUM MEMBERSHIP:

- ✓ 10 free registrations for online conferences organized by the EFB.

Advertising discount

- Reduced fees for advertising in New Biotechnology and other EFB publications.

Influence policy

- Opportunities to propose topics and contribute to position papers submitted under the EFB banner to the European Commission.

Publication opportunities

- Submit position papers for publication in New Biotechnology.

Joint meetings

- Organize high impact joint meetings and online workshops with EFB support.
